🎯 Attempt the ADC written exam before the real one and watch your results soar! The mock exams are EXACT replica of how the actual exam will be!

Therapeutic Guidelines Mocks

Mock Count : 2 Mocks

These mock exams are designed to test your understanding and clinical application of the *Therapeutic Guidelines (Oral and Dental)*, which form a vital component of the ADC Written Examination. It focuses on evidence-based prescribing, pharmacology, antibiotic use, pain management, medical conditions and medical emergency protocols, ensuring candidates develop safe and rational clinical decision-making skills aligned with Australian standards.

Mock Exam 2

TAKE EXAM

Infection Control Mock

This mock focuses on the *ADA Infection Control Guidelines* and evaluates your ability to apply infection prevention and control principles in everyday dental practice. It includes questions on sterilization, disinfection, PPE use, sharps handling, and cross-contamination prevention — key areas tested in the ADC exams to assess your competence in maintaining patient and practitioner safety.

TAKE EXAM

Multi-Subjects Mocks

Mock Count : 4 Mocks

The Multi-Subjects mocks integrate multiple core areas of dentistry. It provides a comprehensive overview of your overall readiness for the ADC Written Examination by simulating real exam conditions with topic diversity and case-based reasoning questions.
